ATTACHMENT A
Property to be Searched

This warrant applies to information associated with Google account blucy0380@gmail.com (“the Account”), that is stored at premises owned, maintained, controlled, or operated by Google LLC, a company headquartered at 1600 Amphitheatre Parkway, Mountain View, California 94043.

ATTACHMENT B
Particular Things to be Seized

I. Information to be disclosed by Google LLC (“Google”)

To the extent that the information described in Attachment A is within the possession, custody, or control of Google, regardless of whether such information is located within or outside of the United States, and including any emails, records, files, logs, or information that has been deleted but is still available to Google, or has been preserved pursuant to a request made under 18 U.S.C. § 2703(f) on December 7, 2022 with the Google Reference Number 27753633, Google is required to disclose to the government for each account or identifier listed in Attachment A the following information from October 1, 2022 to November 3, 2022, unless otherwise indicated:

- a. All business records and subscriber information, in any form kept, pertaining to the Account, including:
 1. Names (including subscriber names, user names, and screen names);
 2. Addresses (including mailing addresses, residential addresses, business addresses, and email addresses, including alternate and recovery email addresses);
 3. Telephone numbers, including SMS recovery and alternate sign-in numbers;
 4. Records of session times and durations, and the temporarily assigned network addresses (such as Internet Protocol (“IP”) addresses) associated with those sessions, including log-in IP addresses;

5. Telephone or instrument numbers or other subscriber numbers or identities, including any temporarily assigned network address, SMS recovery numbers, Google Voice numbers, and alternate sign-in numbers;
 6. Length of service (including start date and creation IP) and types of service utilized;
 7. Means and source of payment (including any credit card or bank account number); and
 8. Change History.
- b. The contents of all text messages, voicemail, emails and instant messages stored in the Account, including copies of communications and text messages sent to and from the Account, drafts, the source and destination addresses associated with each email or text message, the date and time at which each email or text message was sent, and the size and length of each email or text message, and any images, photographs, jpg files, gif files, tif files, avi files and mpeg files video files;
 - c. Records of user activity for each connection made to or from the Account, including, for all Google services, the date, time, length, and method of connection, data transfer volume, user names, source and destination IP address, name of accessed Google service, and all activity logs;
 - d. All device information associated with the Account, including but not limited to, manufacture names, model numbers, serial number, media access control (MAC) addresses, international mobile equipment identifier (IMEI) numbers, FCC ID numbers, Android IDs, and telephone numbers; and
 - e. Web/Internet history for the Account.

Google is hereby ordered to disclose the above information to the Government within fourteen (14) days of issuance of this warrant.

II. Information to be seized by the government

All information described above in Section I that constitutes fruits, contraband, evidence, and/or instrumentalities of violations of Title 18, United States Code, Sections 1201(a)(1), those violations Google account blucy0380@gmail.com and occurring after October 1, 2022, including, for each Account or identifier listed on Attachment A, information pertaining to the following matters:

- a. Preparatory steps taken in furtherance of the crime;
- b. All location history and web and app activity indicating the location at which the Account was active, including the source of the data, date and time, latitude and longitude, estimated accuracy, device and platform, inferences drawn from sensor data (such as whether a user was at rest, walking, biking, or in a car), and associated logs and user settings, including Timeline access logs and change and deletion history;
- c. Evidence indicating how and when the Account was accessed or used, to determine the geographic and chronological context of account access, use, and events relating to the crimes under investigation and to the email account owner;
- d. Evidence indicating the Account owner's state of mind as it relates to the crimes under investigation; and
- e. The identity of the person(s) who created or used the Account, including records that help reveal the whereabouts of such person(s).

This warrant authorizes a review of electronically stored information, communications, other records and information disclosed pursuant to this warrant in order to locate evidence, fruits, and instrumentalities described in this warrant. The review of this electronic data may be conducted by any government personnel assisting in the investigation, who may include, in addition to law enforcement officers and agents, attorneys for the government, attorney support staff, and technical experts. Pursuant to this warrant, the Federal Bureau of Investigation may deliver a complete copy of the disclosed electronic data to the custody and control of attorneys for the government and their support staff for their independent review
